

How to access Westlaw

Following a platform change during the summer of 2019, some users may find they need to complete an additional step when accessing the Westlaw database for the first time or the first time since the migration.

After selecting the Westlaw database from the Library OneSearch, Find Database page and choosing either the on or off-campus option,

you should be redirected to the NTU Single sign-on page, which you should complete by entering your NTU username and password and clicking LOGIN.

NTU Single sign-on

Username:

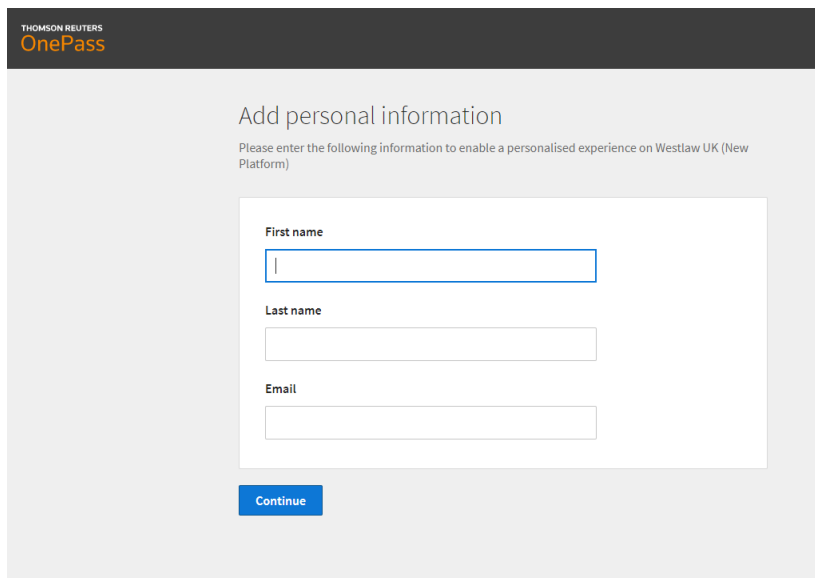

Password:

LOGIN

[Reset Staff Password](#) or [Reset Student Password](#)

For security reasons, please [log out](#) and exit your web browser when you are done accessing services that require authentication!

Once correctly authorised as an NTU user you may then be redirected to a OnePass registration page.
